Examples of some of the health and safety consultancy work that we provide are shown below:

- General advice and support
- Health and Safety Policies
- Risk and COSHH assessments
- Accident and incident investigation
- Fire Risk Assessments
- Manual Handling Assessments
- Safe Systems of Work / Method Statements
- Workplace inspections
- Systems for the Selection of Contractors
- Health and Safety Audits
- Management of Contractors for Health and Safety
- Compliance checks and action plans
- Development of successful health and safety management systems
- Representation of our clients at health and safety meetings
- Analysis of Training Needs

Our Bronze Support Consultancy package for small businesses competitively priced at £339.00 per year, includes the following:

- The appointment of Derwent Safety Centre as your named “**Competent Person**” as required under The Management of Health and Safety at Work Regulations 1999, which states:

“Employers must have access to competent help in applying the provisions of Health and Safety Law... In particular they need competent help in devising and applying protective measures...”

- This will enable the Company to use the name of Derwent Safety Centre as your appointed Health and Safety Consultants in Client Pre Qualification Questionnaires, Company documentation, Scheme applications, i.e. CHAS, etc. You will have access to a Chartered Professional Safety and Health Practitioner to assist and advise on all aspects of health and safety, and a copy of a current Curriculum Vitae to attach to all questionnaires etc.
- Telephone support and advice when required [operated on a limited fair usage policy], email updates and quarterly newsletters.
- Access via the Members Area of our web site to safety guidance, procedures, forms and other notes.
- As an additional service, we can prepare a Health and Safety Policy, as future annual renewals of the Bronze Support Package include an automatic update of the Policy to ensure it is in line with current legislation. The document is provided electronically in an Adobe Acrobat Format on cd.

If you would like further information on any of the services that we offer, please contact our Health and Safety Team who will be pleased to assist you with any queries you may have or information that you require.
