
COMPANY SYNOPSIS

Derwent Safety Centre Limited is a private limited company registered at Companies House, Cardiff, number 4658400, initially established in 1991 as DSC & Associates, health and safety consultants providing safety training and consultancy to a wide range of businesses involved mainly within the building and construction industry.

We provide a wide range of services, from the writing of Health and Safety Plans and Policies, to the monitoring of site safety systems and conducting training courses. Our instructors/tutors are well qualified and experienced and our health and safety advisory team hold membership of The Institution of Occupational Safety & Health (IOSH) (from full corporate chartered safety and health practitioners and fellowship status to a minimum of Tech IOSH), with some also members of the British Occupational Hygiene Society and the Association for Project Safety.

In addition, in 2013 Derwent Safety Centre was awarded a Worksafe Consultant Membership Certificate as a Consultant Health and Safety & CDMC. This was successfully renewed in 2014, 2015, 2016 and again in February 2017.

Derwent Safety Centre client base is very varied, ranging from small M & E contractors through house builders and painters to retail outlets.

Training can be arranged to accommodate small groups and provides an ideal opportunity to reinforce the health and safety message. Affiliation to larger organisation, such as the B&ES and the CITB, enables us to deliver recognised, and in some cases, grant approved training.

Derwent Safety Centre is also committed to helping its Clients comply with Environmental legislation and qualified assistance is now available.

The Company Mission Statement is to:

“provide a professional bespoke service to companies wishing to implement clear and practical health and safety systems”

If you would like further information on any of the services that we offer, please contact our Health and Safety Team who will be pleased to assist you with any queries you may have or information that you require.
